“Using Time While Doing Time”

Workshops that Help prepare currently Incarcerated Men and Women—

Get from Where they **Are (Prison/Jail)** to where they want to **Be (Home)**

Community Success Initiative, (CSI) was created out of a desire to fill a need to see personal growth and development, and leadership principles become a recognized strategy for achieving success in the lives of everyday people, with an emphasis on people coming home from incarceration.

Through a network of community partners, we work with men and women in prison, former prisoners, people in transition, and their families through our "Resource Center Without Walls". We provide small group trainings and individual mentoring in general life skills, leadership, entrepreneurship, financial literacy, and areas related to transitioning back into family and community life.
